WE'VE HAD THE PRIVILEGE OF SERVING SCORES OF FAMILIES HERE IN THE HUDSON VALLEY OVER THE DECADES. GRATIFYINGLY, MANY OF THEM HAVE PUT PEN TO PAPER TO LET US KNOW WHAT THEY THOUGHT OF OUR WORK, OUR STAFF AND THE 'NEW' HOME ENVIRONMENTS WE'VE CREATED FOR THEM.

■ "To re-do our kitchen has been a long time dream, but it was kind of frightening. Joe assured us he wouldn't let us make mistakes and he didn't. His advise on lighting, color schemes, tile and windows and the professionalism of the entire Masterwork staff was incredible."

MARY DEVITT

■ "The entire project exceeded our expectations."

STACEY & SCOTT ROSMARIN

■ "Your attention to detail is outstanding, however the best part of the entire process was the level of patience and empathy you displayed during this decision-filled experience."

DAN CLARINO

■ "What a wonderful experience this has been. So appreciate your talented dedication and devotion to detail, design and artistry."

DIANA STUGGER

■ "We're so delighted that we had our kitchen installed by you and your expert technicians. We continue to be very impressed with the quality of the work which has held up for years, but are delighted as well with how you stood by the products you sold."

MR. AND MRS. MANSON

■ "We all made a toast to our new kitchen and to you for doing such a superb job! Thank you again for all your hard work."

MICHELLE PATEL

■ "The only thing 'bad' about going away for vacation is leaving our new kitchen! The concern and workmanship, the planning and genuine designing, all added up to a "Masterwork" project and we were treated with a rare respect and care. Thank you seems so inadequate."

SUSANNE & STEVE SHAND

■ "Once again we have much to thank you for. Your eye for detail and the care you took all add significantly to the outstanding quality."

DIERDRE GLENN

■ "People laughed when we told them how quickly you promised to get our new kitchen installed, because "contractors always take twice as long as promised". We were happy to tell them you not only delivered on time, but with a wonderful product that truly reflects what we wanted to accomplish.

Again, thanks for taking the time to listen to what we desired, present us with options, and guide us through the process of choosing a kitchen we can live with and in for years to come. Your company provided us with a great value for our money."

TIM AND ALICIA DEAN

■ "We love our kitchen!! It is the heart of our home!"

CAROLYN SEIBERT

■ "Of all the contractors we worked with, you and the Masterwork team were by far the most professional, the most responsive and the most attentive. It's beautiful and we owe it all to you! We're looking forward to your help on our next project in the spring."

RICK JONES AND CORINNE MARMO-JONES

■ "Fine, Fine, Fine Workmanship! Joe and his staff are just wonderful to work with and we are telling all our friends."

LOLA GREENWALD & HOWARD FINKELSTEIN

■ "It's special that you always take the time to listen and address our concerns consistently, timely and, of course, well. Thanks for always being there for us."
